

New Executive Director of Alumni Association Named

The Alumni Association is indeed fortunate in the appointment of Bro. Gerard Von Hagel, CPPS, to the office of executive director. His familiarity with the operations of the College, and especially with hundreds of graduates, makes him a "natural" for the position. He first came to the College in 1952 as assistant to the dean of men. During his stay here, Brother Gerard also served as director of Raleigh Hall, assistant to the academic dean, manager of Halleck Center, director of summer activities, and director of brother formation.

In 1970, Brother Gerard left Saint Joseph's College to become director

BRO. GERARD VON HAGEL

of brother formation and dean of students at Brunnerdale Seminary, Canton, OH. Five years later, he was assigned to St. Theresa's Church, Farmville, VA, as associate pastor. He also served as campus minister

at Longwood College in Farmville. In 1977, he was appointed to the vocation staff for the Society of the Precious Blood, and in 1978, returned to Saint Joseph's. Brother Gerard says of his return, "it was like coming home after eight years."

Brother Gerard now takes on the challenge of stimulating interest among the alumni. Alumni from Saint Joseph's are scattered throughout the United States and even beyond. As a result, keeping in touch with alumni and keeping them informed of College events is a large task. Brother Gerard would like to see local alumni chapters formed, with leaders in each chapter to organize group functions and social events.

Much of the success of Brother Gerard's appointment as director of the alumni association was witnessed during homecoming weekend. The weekend was deemed successful by the large number of alumni on campus who attended the homecoming festivities. Alumni said there was something for everyone.

As he settles more and more into his new position, Brother Gerard expects to visit clusters of alumni and alumnae in various segments of the country. So don't be surprised to see him within the next several months.

Ahler New Board President

At the August meeting of the Alumni Board, Dale Fallat passed the gavel to the newly selected

President, Dr. Kenneth J. Ahler who will serve a two-year term. Dr. Ahler was born in Medaryville, IN and

attended the public schools there. He majored in biology at SJC, graduated with a BA degree in 1962. He then attended the School of Medicine of Indiana University and achieved his degree in Medicine in 1966. He married Margaret Ann O'Donnell in 1963 and is the father of two boys and one girl.

Dr. Ahler practices medicine in Rensselaer and is on the staff of the Jasper County Hospital. He is president of the Doctors Service Corporation (Clinic of Family Medicine) in Rensselaer. He is a member of the Board of Trustees of Saint Joseph's, Fellow of the College and a Father Gross Fellow. He is likewise a fellow of the American Academy of Family Physicians and a Diplomate of the American Board of Family Practice. Dr. Ahler is active in Rensselaer community affairs and in the work of St. Augustine's Parish.

Early Homecoming A Huge Success

Over eight hundred alumni and alumnae and their families returned to the campus on September twenty-ninth. The parade from Rensselaer to the campus, an exciting football

day's activities. The beer and brat tent did a booming business.

Before the game Donna Knockel '65 received the Alumni Service Award. Together with Larry Till, she

pleased to hear that Homecoming '79 was a financial as well as a social success: we didn't go into the hole!

Meet The Board Of Trustees

A short note to former President Father Raphael Gross from Ray Ziegman states that he would be proud to serve on the SJC Board of Trustees. The note is dated December 10, 1957. Mr. Ziegman has worked uninterruptedly and unstintingly on the Board ever since, and in many capacities. Presently he is Chairman of the Membership Committee.

Ray was born in Fostoria, OH, in 1902. After graduating from St. Wendelin's High School, he attended SJC. Because of his love for nature, he intended to devote his life to farming, but Providence had other plans. In 1933, he took the position of plant superintendent at Quality Castings in Orrville, OH, where today he is vice-president and secretary of the firm. The company has expanded over the years, and Ray's alma mater has shared generously in the monies realized. Quality Castings stock looms large in our portfolio. Ray is a Fellow of the College, a Father Gross Fellow, a President's Fellow, and a former president of the Alumni Association. In 1962, he received an honorary doctorate (LLD honoris causa). His counsel has always been wise and balanced: he is more than a loyal friend — he is a constant inspiration and exemplar.

Saint Joseph's College is by far not the only beneficiary of his charity. He participates unselfishly

in the affairs of his parish church, the Orrville Boys' Club, the Boy Scouts of America, the Chamber of Commerce, and the Exchange Club. He played a key role in fund raising for the Dunlap Hospital. For these and many other charities he was named Citizen of the Year in 1975. For the same reason he is jokingly referred to as a "wealthy beggar for charity." Pope John XXIII awarded him the coveted Benemerenti medal for outstanding service to the Church.

ZIEGMAN

But perhaps the finest accolade comes from a personal friend and superintendent at Quality Castings: "He has so much faith that it's almost impossible for anything to upset him. He has a wonderful love for God and nature."

class notes

12 Msgr. Max Walz celebrated his sixtieth ordination anniversary. He served ten popes and all five of the bishops of the Toledo diocese to which he belongs. When the local hardware dealer, to whom young Max delivered newspapers, found out that he was entering the seminary, he asked, "Don't you think you could do something useful?" Now Msgr. Max says, "Wherever I have been my priest-hood has been respected by Catholics and non-Catholics. Shown such respect, what a wonderful opportunity we priests have to lead the world to Christ...I've developed a little common sense. In 60 years you have a chance to look over the scene, and you find that history repeats itself."

WALZ, '12

(Continued from page two)

Jane (Gartland) White has been appointed women's track and cross country coach at Morehead State University, Morehead, KY. "We feel very fortunate to have a person of Jane's qualifications take over our women's track program. She has been a winner on all levels," says G. E. Moran, the University's athletic director.

Sister Joselyn Brenner, OSF is taking a well-earned sabbatical in Europe. She has served as consultant to the International Committee on English in the Liturgy, as an Assistant Director of Music for the Commission on Liturgy, Sacred Music and Art for the Archdiocese of Omaha. She is a member of the United States Bishops' Committee on the Liturgy.

74 Richard M. Rudowski works as a blood bank technician at the Naval Regional Medical Center in Oakland, CA. While in the USN he attends the Jesuit School of Theology at Berkeley as a lay student, working toward a Master of Divinity degree.

75 Back on campus, **Keila E. Naylor** has assumed the position of Financial Aid Counselor.

Last June **Jane (Hils) Shea** received her J.D. from the University of Cincinnati College of Law. After passing the Ohio Bar Examination, she was sworn in as a member of the Ohio Bar in November. She is presently employed as House Counsel for the Southern Ohio Bank in Cincinnati, OH.

BRENNER, '73

HOLAN, '78

77 Paul E. Misniak earned his Master of Management degree at Northwestern's Kellogg School of Management. He is currently Assistant to the CEO of Signature Financial/Marketing, a Chicago-based subsidiary of Montgomery Ward.

Sharon R. Wallyn recently completed an intensive sales course, covering marketing and sales techniques with the Compugraphic Corporation, a major worldwide developer and manufacturer of low-cost, high-quality photosetting systems and accessories.

Ann M. Pantle was promoted to the position of Employment Manager at W. F. Hall Printing Company in Chicago.

78 Kenneth F. Holan has been named product sales representative for the Elk Grove, IL coil processing plant of Joseph Ryerson & Sons, Inc. He will represent the company in a five state area. Ryerson is the nation's largest metals service center organization, and operates twenty-six plants coast to coast.

Kevin M. Kidd is now the administrator of Piqua Manor Nursing Home. He took this position after a nine-month intraining program required for licensing as a nursing home administrator.

Another valuable acquisition to the campus is **Mrs. Virginia Marzke**. She assumed the office of Director of Placement last year, and has been assiduous in updating her office to the needs of the students. Under her aegis Placement is prepared to march confidently into the 1980's.

Mira Pindell has been added to the SJC admissions office as a counselor. She works in student recruitment in north central Indiana and northwest Ohio.

79 Elizabeth J. Conlon, a medical technology graduate, was honored during the graduation ceremonies at St. John's Hospital, Anderson, IN. She received an academic excellence plaque and an award for outstanding ability in the completion of laboratory test. She achieved an A-plus average in her classwork, an accomplishment termed by the hospital staff as exceptional.

Larry Hemmelmarm is enjoying his year of CPPS formation at St. Adelbert's Church in Cleveland, OH. Among other duties he is teaching music in the school, working with the youth, and directing children's liturgies.

Tom Krodell is branch manager for Union Federal Savings and Loan Association of Evansville. The branch is located in Jasper, IN.

THE GATHERING

HOW CAN I KEEP FROM SINGING?

Jim Funk '73 and Tom Funk '79 are moving lights in a new folk group known as The Gathering, and they have published their first album, the theme of which is friendship and brotherhood through song. They perform each Sunday at Christ the King Church in Indianapolis. Anyone wishing to order the album may write to Contact for outlet addresses.

sports update

By CHUCK SCHUTTROW

Saint Joseph's athletic teams have completed a busy fall sports schedule, with volleyball and football headlining the Pumas' success stories for 1979.

Coach Linda Taulman's volleyball team rolled to a 37-4 record and placed second in the state tournament to highlight the fall sports picture at Collegeville. The team's .903 winning percentage is the highest mark here in 27 years — since the 1942 football team went 7-0-1 under coach Joe Dienhart.

Many of the volleyball team's key performers were non-seniors, and Taulman understandably looks to the future with good reason for optimism. Included in the volleyball success story this fall were three wins over Butler, two each over Valparaiso and Vincennes and solo victories over Notre Dame, Evansville, Taylor, Indiana State-Evansville and IUPUI-Indianapolis.

A bright future is also apparent in football, where the Pumas won eight of ten games and captured the Heartland Collegiate Conference championship with a 4-1 ledger. A razor-sharp passing attack plus a tough defense highlighted the Puma's arsenal this fall, and 18 of the 22 players who started in the season-ending victory over Valparaiso are expected to return next year.

This was Saint Joseph's third conference championship in the past four years, as the gridders shared the title in the old Indiana Collegiate Conference in both 1976 and 1977. The eight victories are the most in a season since 1971, when SJC posted an identical 8-2-0 record and won the ICC crown.

There is good reason to smile when looking at the Pumas' cross country scene, where this four-year-old program of coach Dave Smith posted its first winning season with a 35-19 mark. What was once a drastically-undermanned program has now grown to a highly-competi-

tive squad that enjoyed many fine moments in '79.

The harriers posted a 9-3 record in dual meets, including wins over Danville (Ill.) Junior College, Bradley, Franklin, Valparaiso, Goshen, and Grace.

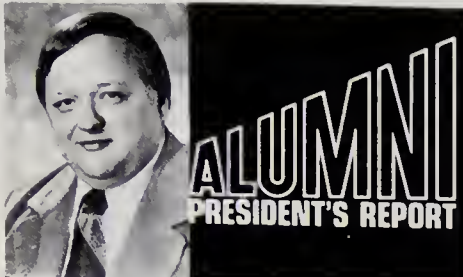

Growing success also typifies the women's tennis picture, where the Pumas doubled their number of wins from 1978 by posting a 6-7 dual match record before placing fifth among eight teams in the state tournament. Underclassmen were the backbone of the 1979 netters, and this is one more SJC team that looks to the future with expectations of still more improvement.

Underclassmen also will play an important role on next season's golf squad. Though the linksmen were 28-51-1 this fall, non-seniors dominated the roster and gained valuable experience while showing steady improvement that should result in brighter dividends come 1980.

Art At SJC

The fate of drawing, painting and sculpture at SJC has not always been the happiest. But with the advent of Bro. Ric Presar this summer, the department shows most encouraging signs of stability and progress. A year ago enrollment in art courses was a dismal fifteen. The first semester this year the number rose to twenty-five, and in the present semester to sixty — full capacity with the present equipment. To operate at maximum efficiency, the department needs several items: an outdoor kiln for ceramics, replacement elements in the Raku kiln, a slab roller (which rolls clay for sculpture and ceramic classes), a wood sculptor carving set, a stone sculptor carving set, a printmaker press, a loom, and equipment for drawing classes. Any alumni or alumnae having such items or wishing to contribute to their purchase may communicate with Bro. Ric.

Dear Fellow Alumni and Alumnae,
Happy 1980 from your Association!
It is with pleasure and humility that I write to you for the first time as your President. I hope the next two years of my service will be beneficial to you and our Alma Mater.

We are very pleased that Brother Gerard Von Hagel has accepted the position of Executive Alumni Director. Brother Gerard, for many years, brings back very pleasant memories of College and Raleigh Hall.

The Homecoming was successful and we hear from many former students about the activities of the day. Homecoming was also financially successful, and for the past three years this activity is no longer a burden to Saint Joseph's, but is a source of income for our Alumni Scholarship Fund.

Your Alumni Association was the recipient of \$62,753 in funds as the result of an insurance trust set up by members of the classes of 1965 to 1978. This money is invested in short term securities, and will be used for projects much needed at Saint Joseph's. If you have ideas and suggestions as to how this money might best serve, please write and share your thoughts.

Your new officers of the Board for the next two years are:

Vice-President of Alumni Relations

Mr. Daniel Harbor '76
2307 West Kenyon
Indianapolis, IN 46219

Vice-President for Academics and Recruiting

Mr. Michael T. Smith '63
996 Appletree Court
Palatine, IL 60067

Vice-President for Campus Relations

William Moriarity '61
628 Dean's Place
Rensselaer, IN 47978

I am confident these people are dedicated and will help your Association grow and become more meaningful.

We are still looking for a few good people to serve on the Alumni Board. If you are willing, or know of someone who can serve the Alumni Association as a director, please write and tell us.

Sincerely,

Kenneth J. Ahler, M.D. '62
President

SJC + 10 Has Innovative Career Day

One of the highlights of the first semester this year was the return on November 7th of twenty-two members of the class of '69 to present an all-day career day. They visited individually various classrooms in the morning, and conducted panel discussions in the afternoon. Areas included were business, Law, science, education, sociology, and psychology. These alumni shared with both students and faculty their

experiences in the professional world since their graduation ten years ago. The day was an unconditional success: professors, students and alumni learned much from the experience.

Tom O'Brien coordinated the activities together with the Placement and Alumni offices. Dr. Burkey's advertising class handled all the

publicity and acted as hosts and hostesses to the visitors.

The enthusiasm generated by this new approach to communication between the alumni and students prompted Virginia Marzke, Director of Placement, to entertain the hope that the SJC + 10 project can continue as an annual event. Members of the class of '70 might begin to plan for next fall. The concept behind this type of career day is perennially valid: people who experienced the same educational background and now have spent a number of years in the actual field, have much to offer the young men and women presently undergoing their academic training.

Mrs. Marzke remarked that "these alumni all agreed on one thing:

their four years at Saint Joe provided positive experiences in their maturing, not only academically, but perhaps more important, socially. They all have good memories of the friendships shared in their college days."

Notes From Your Alumni Director

Although I have been in office less than six months, my schedule has been quite crowded. Aside from routine work such as Homecoming preparations, daily correspondence, and such like, I have done considerable travelling. Here are some of the highlights.

Father Druhman and I met with a small gathering of alumni in Cambridge, MA at the Sonesta Hotel on October sixteenth, a pleasant evening arranged by Gary Gedney '71. We then travelled to Saddle Brook, NJ where, together with Father Reale, we met with some forty alumni of the NYC and northern NJ area. This gathering was organized by Joe Franklin '69, and turned out to be a very lively recalling of college memories. Many of the group expressed a desire to establish an event such as this on a regular basis. On the occasion of the SJC-Notre Dame game on the thirteenth of December, Father Reale and I met with a number of graduates from the South Bend, IN, region.

I have been in Cincinnati, OH, and Detroit, MI, and have contacted a few alumni in the hope of setting up meetings in those two cities. In Detroit we are planning a Metro-Detroit gathering for February twentieth from six to eleven in the evening at Eddie Jacoby's "Since 1904," 624 Brush Street, which is both popular and centrally located. After the SJC-Indiana State University of Evansville game on the eleventh of February, alumni and friends will gather — obviously to toast a basketball victory. On the twenty-sixth of February, Indianapolis alumni will meet after our contest with Butler. **Individual notices of all these events will be sent in plenty of time for your planning to attend.**

I want to visit in the Calumet region of IN, and in St. Louis, MO,

to initiate organizational plans, but much will depend on the type of winter we have in the Midwest. I would like to meet with alumni in these and other areas to set up get-togethers in the spring and early summer.

Together with Fathers Banet, Reale, and Druhman, I have attended luncheons hosted by various members of the Board of Trustees in Chicago, IL, Indianapolis, IN, and Columbus, OH, to stimulate interest in the College among their friends. Similar luncheons are planned by Board Members in other parts of the country. These have proved themselves most beneficial to SJC on a number of levels.

Fathers Druhman and Reale are to be congratulated on the goodwill they are engendering among our alumni and alumnae in their travels for the Office of Development. Father Reale visited several of the southern states toward the end of the summer. Father Druhman took an extended trip through New York State, most of the New England states, New Jersey and Pennsylvania this autumn. Toward the end of January, he will revisit the southwest, California, Colorado, Nevada and Idaho. Both regret that they cannot see each of you individually, but they hope to cover as much territory as they can in the not too distant future.

I cannot emphasize strongly enough the importance of your sending my office any change of address and items of information and interest appropriate for "Class Notes" in **Contact**. This alumni paper is our most efficient tool in keeping in touch with one another and with SJC.

My sincerest good wishes for a happy and fruitful 1980. God keep each of you in His grace.

Dr. Posey, professor of history, is organizing a study tour of the People's Republic of China for May 12-28, 1980. Dr. Posey is director of our Non-Western Core Program. Visas have been applied for, and approval from the Chinese government is expected soon. Any alumnus/a wishing to take advantage of this opportunity should contact Dr. Posey in the very near future. The cost of the seventeen-day tour is \$2495 from San Francisco. (Dr. Posey is arranging a Charter for participants from Chicago-O'Hare to San Francisco.)

CORRECTION: One of the photos in the last issue of **Contact**, a picture of the Fellows Dinner of last June, mangled the name "Terveer." We apologize.

The life-blood of **Contact** is the news you send us about yourself and other alumni — your promotions, projects, etc. The segment of the paper which is read first is the "Class Notes." Please keep us up to date with such items, and also with any changes of address. If you have any suggestions for improving **Contact** don't hesitate to forward them to the editor. And please fill out the up-date card we sent you in preparation for the new **Alumni Directory**.

Before you send us a donation, please check to see whether or not your business or corporation has a Matching Grant Policy. If it does, you can double, and sometimes triple, your contribution.
